Dog Name_____ Age_____ Breed_____

I am a WAG dog. ☐ I would like to be a WAG dog. ☐ I just want to do the walks. ☐

Owner's name_____

Phone number_____ Email_____

Join WAG dogs and their owners for a companionable walk in a different parish every Sunday for 10 weeks, starting 13th September 2026. The walks start at 2pm and we ask everyone to start the walk at the same time to enjoy a sociable afternoon together. There is a choice of two routes so you can opt for a leisurely stroll or a lengthier ramble.

The routes can be downloaded at wag.org.gg/news, if you do not have internet access, please call Sadie on 07781 406 168 or come along on the day and just join in.

Each time you complete a walk your passport will be stamped to verify your participation. If you complete walks one to ten with your dog, you will be invited to an evening presentation on Wednesday 8th December at 6pm where you will receive a certificate signed by Harvey, our canine Patron, owned by Dr Nikki Brink. Please note no dogs are to attend the evening.

If you are unable to join us on a particular Sunday, you can complete the walk in your own time and take a selfie showing you and your dog in front of the venue and show it to the 'passport stamper' on the next walk you attend.

There is a joining fee of £10 which can be paid by any of the below options:

1. online by contacting our treasurer Toby at treasurer@wag.org.gg
2. in cash when you register on the first walk
3. by using the 'Donate' button on our website wag.org.gg

Please read our Privacy Policy on wag.org.gg/privacy-policy.

I have read and agree to the Privacy Policy ☐ please tick box.

Please remember to clean up after your dog (fixed penalty £100 or a fine) and keep your dog on a lead where appropriate, and under proper control at all times.

By coming on the walks, you acknowledge WAG owes you no duty of care. You acknowledge that the walks involve uneven paths which we have not checked and take no responsibility for. Everything is at your own risk. You give a complete exclusion of liability for any claim you may have against WAG (or its members or officers).

Pet therapy brings much joy to many people, sharing a few minutes with a friendly animal can stimulate a range of benefits such as helping communication, an antidote to depression, lowering stress levels, helping to share emotions or bringing comfort and laughter to people who are feeling lonely or distressed. Visits from WAG therapy dogs make the world of difference to those who may be less fortunate than ourselves.

WAG volunteers and their dog regularly visit wards at hospital, residential and care homes, day centres and schools – all part of a holistic approach to health and wellbeing.

Any breed of dog is welcome so long as they are at least 15 months old and been owned by you for 6 months. Visits take around 30 minutes and can be made weekly, fortnightly or whatever suits you. If you are interested in joining the WAG team with your dog, please contact woof@wag.org.gg or phone Sadie on 07781 406168. You and your dog will be invited to attend an induction workshop where you will learn more about the work WAG does, watch a presentation on canine behaviour, explaining how to interpret the signs your dog is giving you. We then run through the elements of an assessment test which all dogs are required to complete at a later date. The test is designed to ensure the dog's temperament is calm and they enjoy being handled.

You can find out more about WAG on our website www.wag.org.gg, on our Facebook page or by emailing woof@wag.org.gg

Our Patron - Harvey

Harvey needs no introduction as he is well known as our Patron. In autumn 2022 he completed his assessment and joined our therapy dog team. Harvey and his mum Dr Nikki Brink regularly visit patients and staff on Giffard Ward at the Hospital where he enjoys spending time with his new friends. Harvey enjoys travel, his spirit of adventure takes him boating with the Jenson family, and in the car he likes to sit 'up front' to look out at the world! He loves to eat roast chicken, go for walks on the L'Eree headland and sleep on the bed when it is cold. He loves other dogs,
